Key Themes

Cardiff University, with Assembly backing, is reaching out to support Welsh enterprises with free access to technical demonstrator expertise and specialised facilities.

- Connect with the new Knowledge Transfer Centre for Green Communications, the Environment and Performance Engineering
- Learn about "Delivering Low Carbon Buildings Cymru" – and the other new projects above
- Understand the benefits of working with the University and find out how to take advantage of these new offerings
- Put your questions to a Q&A panel featuring Dr Christian Bryant, Senior Manager, Academic Expertise for Business, Welsh Assembly Government

Date & Venue:

Wednesday 30th September 2009
