

“Integ-Micro Project: new high-precision micro-machining technologies”

Integ-Micro Conference

Thursday, 22 September 2011 [10:00-12:30]
EMO Hannover Fairgrounds
Frankfurt Room, Convention Center

Innovation Precision Micro

Integ-Micro Project

New production technologies
of complex 3D Micro-devices
through multi-process
integration of ultra precision
engineering techniques

- | | |
|-------|--|
| 09:30 | Registration and welcome coffee |
| 10:00 | Welcome and Opening Speech
Mr. Andrea Gentili, DG Research & Innovation
European Commission

<i>Chairs:</i> Mr. Filip Geerts, CECIMO Director General
Prof. Paolo Dario, The BioRobotics Institute |
| 10:10 | State of the art in ultra-precision micro-machining
Prof. Paolo Dario, The BioRobotics Institute -
Scuola Superiore Sant'Anna |
| 10:20 | Integ-Micro multitasking platforms

“Enabling technologies for high speed mill-turn micromachining”
Ms. Sarah De Cristofaro, Ce.S.I. (Italy)

“Micro-milling and laser ablation, two technologies
complementing each other”
Mr. Holger Mescheder, Fraunhofer IPT (Germany)

“A multi technology platform for milling, drilling, grinding and
EDM in the micro range”
Mr. Miguel Garzon, WZL - RWTH Aachen University (Germany)

“High Frequency Programmable Axial Vibration Assisted
Micromilling Spindle”
Mr. Joseba Arana Arizaga, Fundacion Tekniker (Spain)

“A small footprint machine for the fabrication and finishing of
precision microparts”
Prof. David Allen, Cranfield University (UK) |
| 12:00 | Round table discussion
“Future research priorities in micro-machining and new
applications” |
| 12:30 | Networking lunch (Foyer Ground Floor South, Convention Center) |

Integ-Micro Conference

Thursday, 22 September 2011 [10:00-12:30]

EMO Hannover Fairgrounds

Frankfurt Room, Convention Center

Registration Form

CECIMO • Avenue Louise 66 • B-1050 Brussels • BELGIUM

Telephone: +32 2 502 70 90 • Facsimile: +32 2 502 60 82

Email: information@cecimo.eu • Website: www.cecimo.eu

This event is **free-of-charge**. To attend, please fill out this registration form and send it to CECIMO by email: Elisabeth.vilain@cecimo.eu or by fax: 0032.25.02.60.82, before **26th August 2011**.

Entrance tickets will be delivered to all participants by post. If you already have an entrance ticket to EMO, you do not need a ticket, but you should still register.

I will attend the Integ-Micro Conference: YES ☐ NO ☐

Do you need an entrance ticket to EMO? YES ☐ NO ☐

I will attend the networking lunch: YES ☐ NO ☐
